

KAWASAKI BRUSHCUTTERS

KBS27A

BYNORM PART NO
511-002

Ideal for domestic usage

- ✓ Lightweight, low noise, low vibration and ideally balanced
- ✓ Easy, instant starting thanks to a 'slow idle starter' that prevents the blade from turning during start-up
- ✓ The KAR (Kawasaki Advanced Recoil) starter greatly reduces pulling force when starting
- ✓ Built-in spark arrestor, fully covered carburettor and one piece fan-housing
- ✓ Easy-to-service air cleaner element and muffler screen
- ✓ The nylon line cutter is user-friendly, easy to use and highly durable
- ✓ Comes with owners manual, safety glasses and tool kit

DOMESTIC POWERHOUSE

A loop handle brush cutter designed specifically for the domestic user. This brush cutter is a robust, reliable machine capable of tackling the most difficult tasks with the greatest of ease.

Features:

TJ027D engine

Grip system (loop handle)
