

KAWASAKI BRUSHCUTTERS

KBH27C

BYNORM PART NO
511-004

Designed for Professional usage

- ✓ Lightweight, low noise, low vibration and ideally balanced
- ✓ Easy, instant starting thanks to "slow idle start" that prevents the blade from turning during start up
- ✓ The KAR (Kawasaki Advance Recoil) starter greatly reduces the pulling force when starting
- ✓ Built-in spark arrestor, fully covered carburettor and one piece fan-housing
- ✓ Easy-to-service air cleaner and muffler screen
- ✓ Semi-auto line cutter features 2.4 mm nylon line, it is easy to use and highly durable
- ✓ Low exhaust emissions meeting USEPA and EU standards with Air Fuel (dual bore carburettor) Technology
- ✓ Comes with owners manual, safety glasses, handy tool kit, full shoulder harness and 4 tooth (230 mm dia) steel blade.
